WOW

Designed to Impress

How about introducing an extra oomph to your house?

The two new Mallia rocker colours, Matt Black and Champagne, are designed for just that purpose.

Matt Black with
Silver rocker

Copper with
Matt Black rocker

Champagne with
Pearl rocker

Bronze with
Champagne rocker

A Style that Never Gets Dated

When the conventional White, graceful light Silver, classy Pearl and cool Dark Silver meet the mysterious Matt Black and chic Champagne, you will get alluring elegance and uncompromising simplicity – like always.

Matt Black

Smooth to the touch and complete with a sleek profile, the Matt Black series is unquestionably a stunning addition to any modern home.

An Enduring Form

Each curve and detail of Mallia™ exudes uniqueness.

Colour and finish converge into a pristine whole.

Slim profile to fit every space and design.

Champagne

Absolute elegance, enhanced by a dignified and enduring style, the timeless Champagne series promises to introduce a touch of sophistication to your beautiful home.

Metal

Two different textures to provide a distinctive touch, the Brushed and Polished Stainless Steel series are among the most versatile in the Mallia™ range.

Brushed Stainless Steel

Polished Stainless Steel

M

Full Colour

Introducing the new additions to the Mallia™ family – Matt Black and Champagne. While Matt Black exudes an air of mystery, Champagne embodies familiarity and finesse. Together, they inspire your creativity.

R E

Mix and Match

Let the spectrum of Mallia™ colours delight your visual senses. Whether you are in the mood to pack in some colours and spice things up or keep it pure and simple for a touch of authenticity, Mallia™ presents you with the freedom to go with full colour or mix and match – it's your call.

Incandescent

The Multi-standard Socket

Powering international appliances is made easy with the Mallia™ multi-standard socket. Suitable for every type of plug found around the world, it is the perfect complement for any environment hosting global visitors.

Even more versatile than before

No matter what modern lifestyle demands you may have, you are well covered with Mallia™. Every care has been taken to make Mallia™ friendlier and more synchronised with your modern lifestyle, so you can be certain that Mallia™'s form always complements the function and you get a complete experience.

1 to 3 gang transparent rockers consist of 3 layers: rocker, blank label and transparent cover.

Full surface blank label holders allow you to display customised pictures, wallpapers and easy-to-read indicator labels!

NOW

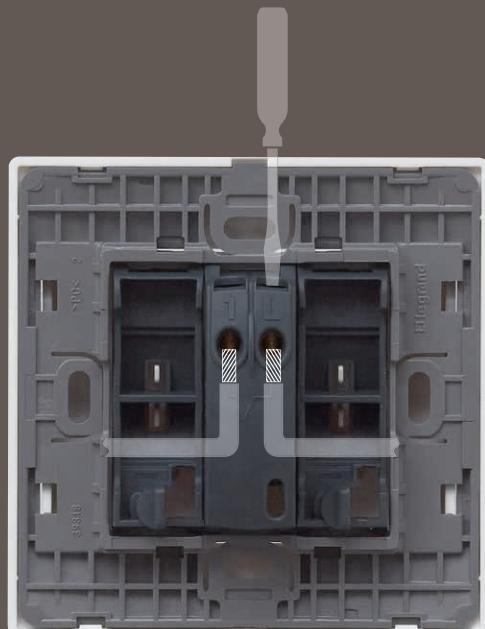

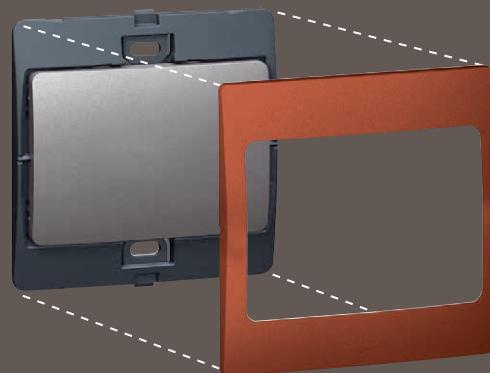

Not only does Mallia™ offer form and function, we also take care to ensure that the installation process is effortless.

The resilient and flexible material used for the plates makes them easy to mount on uneven surfaces.

Slim mechanism design leaves room for larger wiring space in the box.

SHOP

There's no better test for our relationship than to make a durable commitment. Let's take the next step together. Start shopping.
